## Stand holder for Senso A2/A4

broncolor, the Swiss lighting manufacturer likes to be inspired by its customers.

Upon the request of many of our customers, broncolor now presents a product that will simplify your work considerably.

The stand holder for our Senso A2/A4 power packs offers the customer the possibility to operate the power packs at a comfortable height. A further advantage - the widespread use of sandbags to stabilise the stand thus becomes superfluous. A MUST for all who like it EASY.

The stand holder is now available.
